VERSE

Pippi's come to town
A suitcase full of gold
The strongest girl in the world.
Made friends with the kids next door
Then found a million more.
You superpowers now unfurled

VERSE

And they attack your freckles,
They attack your tattered clothes
The village men see you disturbed
But they're the bullies
And you are warm and wise
Besting grown ups with your words

CHORUS

Your liberty force, it won't stop now
You started a fire and it's burning wild
Tommy and Annika are proud of you
You said hello to the world with your child

SOLO

VERSE

Look out here they come
To make you cry and run
But you put the bullies in the trees
You tell your stories
They'll tell you tales and lies
You stare them down with ease

CHORUS

Your liberty force, it won't stop now
You started a fire and it's burning wild
Tommy and Annika are proud of you
You captured the world with your child
You captured the world with your child
You captured the world with your child
